

Trainee Accountant

We're a great business with great people – be part of it!

United Rental Group are looking for a technically competent and driven Trainee Accountant to join our Finance Department. The role will report directly into the Financial Controller & will be a great opportunity for an individual looking for exposure to all parts Finance as well as the wider business.

About us

With 600 independent licensees operating across the UK, United are market leaders in vehicle leasing solutions. Acquiring and selling more than 20,000 vehicles per year for their licensees, URG also lease vehicles and offer a range of other products and services.

Following a successful year, delivering £20Mill operating profits across a broad group of licensees, United Rental Group are implementing several positive and strategic changes, which include investments in IT and a new ERP system, as well as key Board appointments and International Growth plans.

About the role

This is an excellent opportunity for a part qualified accountant to continue building a range of skills across various parts of Finance. Truly an “all rounder” Role!

Initially, tasks will include the following:

- Liaising with the Purchase Ledger Supervisor to ensure all suppliers are paid within agreed terms
- Producing the daily payment run & making other ad hoc payments as & when required
- Capitalisation of vehicle assets & management of in life depreciation for the vehicle fleet
- Producing Financial Reports to provide insightful analysis relating to Used Vehicle Disposals
- Business Partnering with Department Heads to provide data to support decision making
- Working closely with the URN Project Team to provide support with PL, SL & Accounting
- Assisting & supporting with the Year End Audit process
- Month End journal preparation & posting
- Other Ad Hoc duties as required

We're a great business with great people – be part of it!

About you / Skills Required

- Are you CIMA, ACCA or ACA Part Qualified?
- Do you have a broad understanding of accounting practices?
- Do you have unwavering attention to detail & high-level analytical skills?
- Do you possess excellent IT Skills – Especially with excel & other Microsoft packages?
- Do you have exceptional organisational skills & the ability to work to strict deadlines?
- Are you able to work within a small team where cooperation & communication are key?
- Are you driven & ambitious with a willingness to roll your sleeves up & get stuck in?
- Are you experienced producing journals to record Income, Expenses, Prepayments & Accruals?

What We Offer

- An Industry leading salary
- A Company Car with EV options (where available)
- 22 days annual leave plus statutory
- Private Medical Insurance & BUPA Dental (after successful probation)
- Study Support as required
- Cycle to Work Scheme
- Free Onsite Parking
- Pension Enrolment

We work hard & we reward hard work! Our business recognises the importance of our colleagues spending time together away from the office. We have numerous events throughout the year to celebrate being part of a successful & lucrative business!

This role involves working a 40-hour week, Monday-Friday, usually between the hours of 8am-5pm. Flexibility may be required during busy periods given the nature of the role.
